

Road construction is taking place on two major roadways that lead fans to Winstock each year. Please note the following updates about construction, and also watch this page for any last-minute updates as they become available.

- **HIGHWAY 7 - From the western Twin Cities area**

If you travel west on Highway 7, the highway is closed in St. Bonifacius. Suggested route: Highway 7 west to Highway 41. Turn left (south) onto Highway 41 and follow Highway 7 detour signs. At Highway 5, turn right (west) and proceed to Norwood-Young America where Highway 5 merges with Highway 212. Merge onto Highway 212 and continue westbound. Two miles after Plato, turn right (north) onto McLeod County Road 1, and proceed north through Lester Prairie. Cross Highway 7 and turn west (left) on 230th Street at the Vitran Express terminal and follow the signs to Winstock. Winstock is approximately 16 miles north of Highway 212.

- **HIGHWAY 7 - From western Minnesota/Hutchinson area.**

Continue past Hutchinson to Silver Lake. At Silver Lake, turn left (north) on McLeod County Road 2 and go about 4 miles. Turn right (east) on McLeod County Road 5 and continue approximately another four miles. Winstock will be on the right.

- **HIGHWAY 12 - From the western Twin Cities area,**

Construction crews are working in both Long Lake and Delano. In Long Lake, there is no detour, but there may be delays. In Delano, there is a set detour route and there can also be delays at peak times of the day. Follow the signs through the detour route around Delano. Follow Highway 12 west to Howard Lake, then turn left (south) on Wright County Road 6. This will become McLeod County Road 1 at the county line. Continue through Winsted. Winstock is on the right shortly after going through town.

- **HIGHWAY 12 - From the western Minnesota/Willmar area,** take Highway 12 to Howard Lake. Turn south (right) on Wright County Road 6. It is about eight miles to Winsted. The road number will change to McLeod County Road 1 at the county line. Continue straight through Winsted. Winstock is on the right shortly after going through town.
